

WELCOME BACK!

MORNING DROP-OFF PROCEDURES AND AFTERNOON PICK-UP PROCEDURES

We are so excited to have you back!

Thank you for helping us keep our school safe, organized, and ready for a great day of learning.

OUR PLAN

Our staff will be ready to support and guide youngest students to enter class safely.

The work of students is to say a quick "goodbye" to parents, teachers, and friends and get out of the car quickly so the door can be opened.

For our youngest students, let's make this a "fun goodbye" so they feel happy and confident as they build independence.

There will be many staff members at all points along the route, from the entrance to the classroom, to make sure every student gets to class safely.

If you have siblings or children in different grades, please drop them off according to the youngest child's schedule.

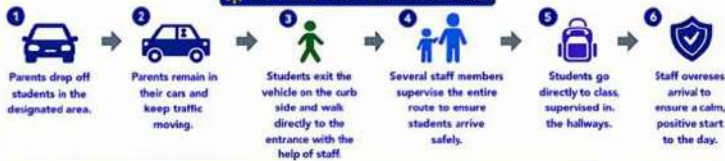

Schedule adjustments, teacher support, and other opportunities to make drop-off and pick-up easier will ensure that no student misses out on essential learning. We will do our best to make this process as smooth as possible.

YOUNGEST CHILD'S SCHEDULE (Use this schedule for your child if you have multiple children in different grades.)
